

Woolwich Wild Hockey Equipment List

What does my daughter need to play?

Full hockey gear, along with a mouth guard, is required. Players will not be permitted on the ice if they are not wearing all required protective gear, including properly fastened CSA approved helmets and facemasks, mouth guards and BNQ approved throat protectors.

Are there colour requirements for the equipment?

Red helmets (with the exception of goalie masks) and red pants are mandatory for girls playing for our representative teams. Therefore, we suggest you purchase these items in red if you are buying new equipment.

Purchasing red helmets and pants is also a good idea for girls playing Local League. Red matches our team colours and it could also make any transition to Rep less costly if your daughter plays Rep in the future!
